Volunteer of the Month

LINDA HARTZELL

Linda has been volunteering with us for almost two years, and in that time has managed to find basically every single way you can help out our felines that there is.

From spending time with our cats at the shelter and at PetSmart to handling them at events, from donating supplies like scratchers, play pens, and hide-a-way boxes to being the very first person to sign up for the Cat Pawsitive training, Linda is always eager to help.

I honestly can't say enough good things about Linda, but what I can say is that her generous and kind spirit goes a long way both for the cats looking for their homes and for the staff that rely on her support.

THANK YOU, LINDA!

Your generosity means so much to us
