

WOMEN'S
ANIMAL CENTER
Volunteer of the Month

JOHN TANCINI

John has only been with us a few months, but in that time he has jumped at every opportunity to help. He treats every person with the same gracious, vibrant, and joyful tone. John comes in on Mondays to help the front desk catch up on scanning, and in one day managed to get through a stack of papers at least four inches tall. It was something to behold.

He has helped with our dogs, with laundry, with Kongs, and with manning the event tables, and he does it all with grace. The unglamorous grind of shelter chores does not seem to faze him at all. John is a joy to have around, and he makes all of our days a little brighter just by being here.

THANK YOU, JOHN!

We're so thankful you're a part of our team!
