

# WOMEN'S ANIMAL CENTER

Volunteer of the Month

## WENDY BASTIAN

Wendy joined the Women's Animal Center team in May this year, and she quickly jumped into cat enrichment full-steam. When we launched the Cat Pawsitive program, Wendy was among

the first emails in my inbox, eager to be involved. She was also one of the all-stars of the program – her notes were always thorough, and her regular work with the cats allowed them to make enormous progress. She was certainly our most active team member, working with as many cats as she could as many days a week as she could. Honestly, the program would not have worked without her.

Wendy's work ethic, willingness to help, and sense of humor make her a wonderful addition to the Women's Animal Center team.

## THANK YOU, WENDY!

*We're so thankful you're a part of our team!*
