

WOMEN'S ANIMAL CENTER

Volunteer of the Month

AMANDA SLEMMER

Amanda has been volunteering with us for over three years, and in that time has helped with pretty much every major event, walked dogs, mentored new dog walkers, helped us with fundraisers, and been a generally wonderful human. Her commitment to the care of the animals here is incredible; with the added bonus that we now get to see pictures of former resident Trooper whenever she comes in. Amanda is also always thinking of new possible ways to help the animals, for which we're endlessly thankful.

Amanda: thank you so much for always being willing to get muddy and being a great salesperson for our raffles. You bring so much to this organization, and we're lucky to have you.

THANK YOU, AMANDA!

We're so grateful you're a part of our team!
