

# WOMEN'S ANIMAL CENTER

Volunteer of the Month

## ANNETTE GREGORY

Annette is one of those volunteers that just can't seem to stop giving. It's rare that Annette misses a Saturday here, where she spends her time not only walking and socializing the dogs, but also assisting Faith with her obedience classes and helping with events.

When she's not here, she's putting up flyers, posting on social media, and convincing her friends, family, neighbors, and probably most strangers on the street to come and adopt animals from us. Annette's generosity, warmth, and sense of humor make her a wonderful representative of our volunteer team, and we're so grateful she has chosen our organization and our animals to shower her love on.

**THANK YOU, ANNETTE!**

*We're so grateful you're a part of our team!*
