

WOMEN'S ANIMAL CENTER

Volunteer of the Month

NANCY MAHER

Nancy has been volunteering with Women's Animal Center for about six months now, and in that time has managed to find about every avenue to help that she possibly can. She is here about two days a week, kicking butt on the shelter tasks in the kind of compulsive dedication that make our kennel staff ask when she's coming back to help out. She also has helped with mailings, events, and even got her sister in to adopt a pair of cats last summer!

Nancy's energy and positive attitude always bring out the best in the people she's working with, and it's such a enormous help to the facility to have her as part of the crew.

THANK YOU, NANCY!

We're so grateful you're a part of our team!
